

Make online content accessible

Is it easy to understand what is on the internet?

- Is the way it is written easy to understand?
 - Can you read it easily?

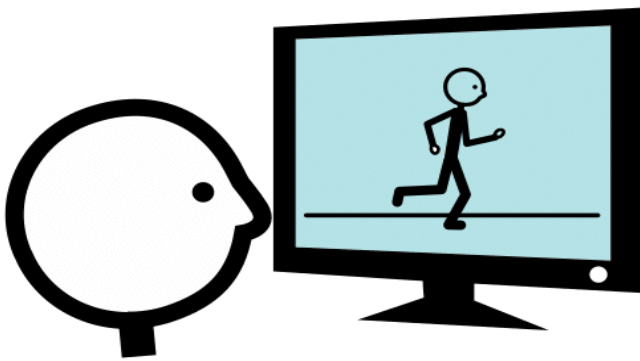

- Is it too long?

TY

- Are the letters big and clear enough?

- Do you need more pictures?
- Are the pictures easy to understand?
 - Do you need more explanation?
 - Can you listen to what is written?

- Are there videos too?
- If not, do you need videos?
 - Do you like the videos?
- Do you understand the videos?

- Is it easy to find what you need?
